

Bringing Organisations & Network Development  
to higher levels in the Farming sector in Europe

Think about specific moments of your organizations where you have successfully engaged:

**The emotional space:**

Can you describe it?

What was gained in the moment?

Was there any drawback?

Were there long-term benefits?

**The creative inquiry space:**

Can you describe it?

What was gained in the moment?

Was there any drawback?

Were there long-term benefits?

**The cohesion space:**

Can you describe it?

What was gained in the moment?

Was there any drawback?

Were there long-term benefits?

**The decision-making space:**

Can you describe it?

What was gained in the moment?

Was there any drawback?

Were there long-term benefits?
